

English

This half term we will be looking at letter writing, stories, poetry and fact files as well as setting descriptions. Children will learn key terminology for different word groups, continue to use a range of prefixes and suffixes as well as practicing their year 3 and 4 spelling words.

In reading the children will continue to have guided reading on a daily basis.

Maths

This half term we will be learning formal methods for all operations as well as linking them to problem solving and reasoning. The children will continue to practice their times tables in preparation for the year 4 times table checks. Please reinforce them at home.

RE

Mrs Taylor will be continuing to look at Hinduism this half term. We will be looking at Deities, Moksha, Reincarnation as well their duties and responsibilities.

History

In history we will be going back in time to prehistoric Britain and learning about the Stone Age, Bronze Age and Iron Age.

Tribal Tales

Imagine the world 5,000 years ago. What would you have seen? Head back to prehistoric times to gather berries and hunt down dinner. Unearth ancient objects and visit astonishing mystical monuments that reveal the secrets of an ancient time. Learn how the people of Britain developed over thousands of years.

Music

Mrs Chantrill will be getting into the Christmas spirit and the children will be learning Christmas songs.

Geography

In Geography we will be doing field work as well as looking at human and physical geography.. We will be using maps and aerial images.

PSHE

Mrs Taylor will be teaching the children ways to cope with new situations and how to find support when they need it. We will also be looking at how to process the things we learn.

PE

Mr Slaney on Friday will be teaching the children football and netball skills. I will continue to take the children out to Forest school once a fortnight.

ICT

Ms Ella will be

Science

In science we will be continuing to work scientifically and looking at plants and how they grow. We will also be investigating light and shadow.

Art Design and Technology

We will be looking at cave paintings, iron age jewellery as well as designing and making tools and building structures.
