

RE

In RE we will be looking at what the Trinity is as well as exploring bible stories and prayer.

Mighty Metals

PSHE

In PSHE we will be covering the topic 'Me and My World'

Computing

In Computing we will be using computers to record scientific and mathematical findings.

D&T/Art

In D&T and Art we will be using our skills to design and make scientific games using magnets and forces

English

In English we will be looking at non fiction and fiction writing. For non fiction we will be writing instructions and thinking about adverbs and imperative verbs to give more detail to our writing.

We will be reading the story Iron Man by Ted Hughs to support our fiction pieces of writing.

Science

In Science we will be looking at magnets and forces. The work we do will involve observations and making fair tests as well as collecting data and recording it.

Math

Some of our math lessons this term will link science with math. We will look at distance and measurement and record this data.
