Newsletter No 49 29.04.19

Welcome back to the summer term at school, this year is going so quickly! We hope you've all had a lovely Easter holiday and plenty of rest for the busy term ahead!

Congratulations to Mr and Mrs Plummer who got married over the Easter holidays in Scotland. We think you'll agree she made a beautiful bride! Miss Rundle has now taken up her married name in school and is now Mrs Plummer.

A big thankyou to Mr and Mrs Perkins who created and donated our new acorn logo for the school.

There are a number of different acorns used as our logo in school and our aim is to now make this acorn logo our universal one.

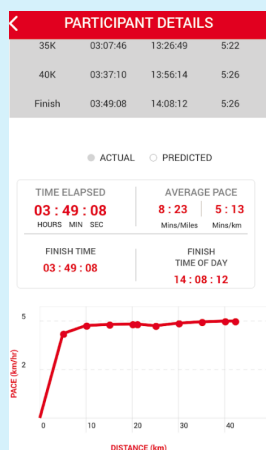

We think you'll agree this logo is very smart!

Our new school nurse, Michelle Greaves, will be dropping into school on the 17th May and the 20th June 2019 at 2.00pm. Please pop in and say hello. You can talk in private about any of the following physical and mental health issues that you may be concerned or just want extra information about:

- [Bullying](#)
- Chronic fatigue
- [Divorce and separation](#)
- Eating disorders
- [Bereavement](#)
- [Mental health problems](#) including anxiety, depression, self-harm and post-traumatic stress disorder (PTSD)
- [School phobia and](#)
- [School refusal](#)
- Sleep problems
- Behavioural issues including [ADHD](#)
- Wetting and soiling

Mrs Plummer was an inspiration and example to our children as she ran and completed the London Marathon on Sunday! We are very proud of her!

## May Day celebrations!

Following the traditional May Day celebrations we will be holding the hobby horse race and maypole dancing May Day in school on Wednesday 1st May at 1.45pm! Dave will open the gates to the school field from 1.40pm.

For our new parents this will involve making a hobby horse for your child to ride around the circuit on. Once we have completed the race you can enjoy watching the children maypole dancing and there is even a dance for parents if you would like to join in!

Don't forget to buy your circus tickets either at Long Whatton Village store or on the PTA website:

## Setting up parental controls

Innocent searches online can lead to not so innocent results. But parental controls can help keep your child safe. Please use the link below to find out how to keep your child safe online and set up parent controls.

We look forward to seeing you on Wednesday for the Long Whatton May Day celebrations. Don't forget those dancing shoes! **Mrs Gray and the Long Whatton Team**
