

Through The Ages

In the 'Through the Ages' learning project, your child will learn about three different periods of British prehistory: the Stone Age, Bronze Age and Iron Age. We will jump back in time to discover prehistoric settlements, monuments, burials and artefacts to uncover life through this period.

Maths - Place Value

Year 3: We will learn to:

- Recognise 3-digit numbers.
- Identify, represent and estimate numbers.
- Read, write, compare and order numbers to 1,000.
- Count in multiples 4, 8, 50 and 100.
- Find 10 or 100 more or less than a given number.

Year 4: We will learn to:

- Recognise numbers beyond 1,000.
- Identify, represent and estimate numbers.
- Round numbers to the nearest 10, 100, 1000,
- Read roman numerals to 100. Find 1,000 more or less than a given number.
- Count backwards through 0 to include negative numbers.
- Count in multiples 6 7, 9, 25 and 1000.

History - They will learn about stone, bronze and iron age settlements, tools, beliefs and their everyday life. We will learn about the Cheddar Man and the Beaker Folk.

D&T / Art - This half term the children will focus on D.T. learning about what is a healthy balanced diet = to design and make their own healthy meal using produce from the school garden. During Art they will be learning about Bell Beaker pottery to create their own pot using different clay techniques.

R.E. - The children will look in detail at the question, 'What do Christians learn from the Creation Story?'. We will look at how the Creation story (Genesis 1) influences Christian lives and that of others.

Computing - The children will be learning about how people behave online and what to do if they are concerned. They will also learn about branching data to create their own database.

Music - Mrs Stevenson will be teaching music on a Thursday afternoon.

Science - In Science, will learn all about the body and about the importance of nutrition for humans and other animals. We will look at the role of a skeleton and muscles and identify animals with different types of skeleton.

English

Writing - We will create a tourist brochure when reading 'The Baker by the /sea'. We will write a newspaper report as well as letters based on 'Shakletons Journey'

Reading - Our novel study will be based on the book, 'Stig of the Dump.' We will focus skills to build reading with fluency this half term.

P.S.H.E. - Mrs Smith will be looking at how we can feel safe and how we can support ourselves through new situations.

P.E. - Make sure full P.E. kits are in school every Tuesday and Wednesday. Please provide appropriate clothing for the outdoors. This children will focus on Hockey, Football and Health and Fitness.

Help your child prepare for their project. Why not browse the website links on the Google Classroom, or find books based on the topic to enjoy together from your local library.
