

RE

In RE we are looking at the Creation Story from Cristianity. We will talk about the importance of the world and how we can make it a better place.

Maths

In Maths this half term we will look at angles, direction as well as doing investigations to do with weight.

English

In English we will be exploring writing for fiction. We will also do some short burst writing to apply the different skills we have learnt through the year. We will continue using our VIPERS for guided reading and think about them as we read our class book.

BOUNCE!

Computing

In Computing we will continue to progress our skills, using the computers for research and to record data.

PSHE

In PSHE we will be covering ways to have healthier and safer lifestyles.

PE, Science and History

Bounce, will involve us exploring how the body works to make us successful athletes. What do we need to make our bodies healthy. We will also look at the Olympics and discuss successful athletes from the past.
